Measure, Appointment or Topic: HB4143

The Steering Committee of Indivisible Forest Grove stands in strong support of House Bill 4143.

We take note that Attorney General Rayfield's office has been filing court challenges to many of the extrajudicial, extralegal withholding of federal funds, and, often, winning. We are glad to see these suits.

However, court action takes time, it's expensive, and it is necessary to do over again for each specific case.

This bill gives Oregon another tool in the toolbox to fight back against the Trump administration's violations of Congressionally mandated funding, money already approved by Congress.

We support HB 4143.

Sincerely,

Elisabeth Genly
