Chair Lew Frederick and committee members,

I oppose the addition of "citizenship status" being added, as I pay for schools in taxes, public schools are for US citizens or legal immigrants.

I oppose that SB 1538 is adding un-necessary burdens on public school educators and administrators with bureaucracy and compliance.

I don't know what is wrong with the Government leaders that are protecting people that are in this country illegally. Shameful! I don't want my tax dollars being wasted on those in this country illegally. We are a Nation of Laws, and immigration enforcement is one of those laws!

Thank you
