We Oregonians already pay some of the highest taxes in the country. You have already tried to pass this sales tax several times and it's been a waste of time and money when it fails. Why do we have to keep voting this tax down . Stop trying to gouge the tax payers and use the high taxes we already pay correctly and run our state on a budget that you stick too. We all have a budget that we have to live with and the state is no different, stop taxing us to death .
