Rosie Burkoff

On Behalf Of:

HB 4125

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

I oppose HB4125. The Oregon legislature has overtaxed the citizens of Oregon and mismanaged Pers and the budget. With an affordability crisis in this state already. Please don't steal more money from the taxpayers. Vote NO on HB4125.  
Thanks you.
