

Submitter:

Mary Barnhart

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4114

To the Committee:

We cannot chance losing our rights in order to allow the Federal government access to individuals. Law enforcement should be required to honor the protections put in place to guarantee civil rights. The consequences listed (in HB 4114) for those law enforcement individuals who fail to do so are appropriate and reasonable.

Please pass HB 4114.

Respectfully submitted,

Maureen (Mary T) Barnhart
