

Submitter:

Derald Stafford

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I Derald L. Stafford, viamently oppose HB 4145. IT IS JUST MEASURE 114 ON STEROIDS. Both are highly unconstitutional. What part of " SHALL NOT BE INFRINGED " do you not understand. Cease and desist this action before you really piss " WE THE PEOPLE of OREGON" off. Stop being anti-American communist dictators in Salem and start representing us citizens.
