HB4125

Dear Chair Nathanson, Vice Chairs Reschke and Walters and members of the House Revenue Committee,

I am an Oregon voter. I want to urge you to support HB 4125 to modernize the kicker.

At this point in time, with lack of federal funding and people in dire need of services, that state must step up to find funds for healthcare, social services, climate mitigation, food security, and more. HB 4125 is one way to secure those funds.
