HB4125

Dear Chair Nathanson, Vice Chairs Reschke and Walters and members of the House Revenue Committee,

I am an Oregon voter and former public school counselor, I know all too well the impacts lack of funding and resources have for our schools, students, families and community. HB 4125 will help create more accurate revenue predictions and therefore a more stable state budget. The Kicker does not support the greater public good. In a time of deep federal cuts to funding, we need state revenue to support crucial social services, including quality public education, housing, and medical care.

Please vote to move HB 4125 forward!
