

Submitter:

Laura Curry

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB1583

I am in favor of SB 1583! I support this bill. Oregon needs oversight of drug regulation systems and operations that are supposed to work on behalf of the addicted in our communities!

So far - Multnomah County has failed miserably.

I am hopeful that this body will consider voting in favor of SB 1573 tomorrow as a coordinated effort to address drug addiction in Oregon.

thank you,

Laura Curry
