

## **Support for School Meals for All (SB 1581)**

Dear Chair Frederick, Vice Chair Weber, and members of the Senate Education Committee,

My concern would be that they would stop providing breakfasts at schools or that they would take away my food stamps, since I am a single mother and I am the only one who provides for and supports my children. The food stamps and food boxes that they sometimes give me are a great help to me.

Thank you,  
Maritza
