On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

I am a local hotelier and strongly oppose HB4134. The hotel industry is suffering greatly and this bill would have a negative impact on tourism. Higher costs in this economy would reduce travel demand. Diversion of the purpose of lodging tax is completely senseless. Conventions and statewide events have moved away from Oregon, HB4134 would not help any sort of recovery. Vote "NO" for HB4134.
