

Submitter: Molz Wirtz-Wold  
On Behalf Of:  
Committee: House Committee On Labor and Workforce  
Development  
Measure, Appointment or HB4093  
Topic:

I am in strong support of protections for people with disabilities, especially in the workplace. People want to work, and it is a reasonable ask to have workplaces be accessible to accommodate people's needs. This bill is needed and will improve the lives of Oregonians.
