HB4125

Dear Chair Nathanson, Vice Chairs Reschke and Walters and members of the House Revenue Committee,

I am writing to voice my support of HB 4125. As an Oregonian who has lived in other high tax states, I have long preferred my neighbors have well funded schools for their children than to receive a kicker. We're at a crucial moment where the Federal government is withdrawing funds to programs that Oregonians desperately need. Oregon Health Plan, Food Stamps, care for the houseless, care for the roads and schools are all more important to me than receiving a large state tax return.

Living in a high tax state should come with the benefits of a well furnished web of social services for it's citizens. I strongly support HB 4125.

Thank you!
