

Submitter:	Josiah Woods
On Behalf Of:	Gun owners of Oregon
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

All of these "gun control" / "public safety" measures are appalling, infringing & unconstitutional. This needs to stop. You politicians are corrupt demons, working for the wrong people, evil people, filling your pockets with our tax money. We need God back in schools and government.
