Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4114

Thank you for this opportunity to testify in support of HB 4114.

Over the last year we have seen ICE and Border Control act in undisciplined and brutish ways, seemingly without any real accountability. This needs to change.

I see HB 4114 setting some limitations on what federal immigration officials can legally do in our state. It offers some potential redress for the people of Oregon against the more egregious offences of federal officers.

I support HB 4114 strongly. While I wish the bill could achieve more, I do see it as a good first step towards restoring the rights of citizens against out of control agencies.

Thank you for taking the time to read my testimony in support of HB 4114. I hope that you will vote to have it become law.

Sincerely,

John O'Donoghue
