

Submitter:

Poonam Patel

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

We support responsible revenue generation, but we must first explore other, less disruptive avenues. We urge you to consider the long-term economic stability of our state. Please reject the proposed increase to the lodging tax and work with us to find sustainable solutions that keep our city competitive, support our workers, and foster a thriving local economy.
