

Submitter:

Brian Overton

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

2nd Ammendment shall not be infringed! This legislature should be more worried about the State PERS program failing in the State rather than worrying about Modifying Firearm permit provisions! You need to think about the future of Oregon, and not modifying firearm right! We already have the Firearm right, you all just need to quit trying to take them away from us!
