

Submitter:

Josiah Woods

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

All of these so called "public safety" and "gun control" measures are absurd, infringing and unconstitutional. This needs to stop ! The politicians of Oregon are bought and paid for by evil people. You steal our money through fraud to line your bank accounts. The voting is rigged. We need good people back in office. We need God back in schools and government.
