

Dear Chair Representative Kropf, Vice-Chair Chotzen, Vice-Chair Wallan and members of the House Judiciary Committee, My name is Elizabeth Davis. I live in Portland, Oregon. I'm writing in strong support for HB 4088. With increasing attacks from the federal administration on reproductive rights and LGBTQ+ health care, patients are concerned for the continuity of their care and health care professionals are fearful for their safety. This bill is critical in safeguarding patient privacy, protecting medical providers from mounting criminalization threats, and ensuring that all Oregonians can receive the health care they need without fear or discrimination. The increasing number of threats in the last few years makes the need for this bill urgent. Oregonians cannot afford to wait. In Oregon, this care remains legal and providers should be able to deliver it without fear of federal intimidation or retaliation.

Please fight for these patients and pass this bill. Life is hard enough for LGBTQ+ persons to live in peace.
Please pass this bill for all of us! Sincerely, Elizabeth Davis
