Topic:

Honorable Chair Thuy Tran and Members of the House Committee on Emergency Management and Veterans,

Thank you for the opportunity to testify in support of HB 4091 that provides guardrails for the activation of the Oregon National Guard.

We must do whatever we can to preserve state sovereignty and prevent the vengeful deployment of the National Guard by a reckless president.

I support the Oregon Legislature's effort to clarify the relationship between federal and state roles as described in HB 4091.

Thank you again,
Alida Rol
