

Submitter:	Danny Wedding
On Behalf Of:	Climate Reality Portland
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4125

Rich people don't need to be made even richer, but Oregon citizens have multiple needs that are more pressing (e.g. healthcare, transportation, support for renewable energy, education, etc.).

PLEASE put the needs of everyday citizens ahead of the greed of rich people who simply want to be even richer!

Danny Wedding
