Honorable Co-chairs Kropf and Chotzen and Members of the House Committee on Judiciary,

Thank you for the opportunity to testify in support of HB 4114. As I look at the impunity with which ICE and border patrol enter environments such as schools, churches, and hospitals and the way that they deal with vulnerable populations in those areas I realize the need for laws that require identification for ICE and border patrol, that require consent to enter sensitive institutions, and that clarify the coordination of state and local law enforcement.

We must protect our children and other vulnerable community members by passing HB 4114.

Thank you.
