Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB4145

Good afternoon,

I am writing to oppose 4145. As an American citizen, an Oregon resident and a small business owner, I am deeply disturbed by the attack on our 2nd Amendment rights. We the people were given these rights and protections under the United States Constitution. This new attack on our rights will finally put me out of business. The people of this state as well as this country have the right to keep and bear firearms.
Sincerely, Eric McElroy
