

Submitter:

Michelle McSwain

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

Dear Committee Members,

I am writing to ask you to support HB 4134 which will impose a 1.25% tax for wildlife conservation. Oregon's wildlife is a critical part of who we are and they are in need of our help to reduce fragmentation, improve habitat, and enforce anti-poaching laws.

Thank you for your consideration,
Michelle McSwain
