

Submitter: John O Donoghue
On Behalf Of:
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB4123

Thank you for this opportunity to testify in support of HB 4123.

I believe that all renters, but especially people in vulnerable populations such as the poor, the disabled, and immigrants, need strong protections against any forms of coercion or discrimination. In particular, their right to privacy of their information needs guarding. This is especially true of all immigrants at this moment in our nation's story.

I believe that this bill, HB 4123, provides new and stronger protections. I encourage you to vote for it to become part of Oregon law.

Sincerely,

John O'Donoghue
