Measure, Appointment or HB4153  
Topic:

My Name is Cindy and I am community member in Bandon. I am writing to you today to express my opposition to HB 4153. Farm stands are a vital part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. But HB 4153 would restrict who is allowed to have a farm stand, replace current definitions with Farm Stores, and give large land owners privileges at the expense of small farm stands in Oregon. We need to find a better solution.

I care about this because these folks provide produce, etc. for sale to earn a living but they also provide to food banks. I enjoy getting produce and seeing where it is produced.

I go to a farm stand that would not meet the acreage requirements in section 2.2 of the bill.

Small farms need to have the same opportunities to sell their produce as larger farms. Many of them are just starting out or don't have the capacity to employ laborers or they're too hard to find.

Why should large acreage farmers gain privileges at the expense of smaller acre farmers?

Why should a small farm be any less legitimate than a large farm when it comes to defining farm use?

This is not a good bargain for Oregon and a better deal must be found.

Thank you,
