Measure, Appointment or Topic: HB4145

I am an Oregon resident who voted for measure 114, as well as worked with many others to get it on the ballot. "I wanted it implemented immediately, and the delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

Am I anti-gun? I grew up in a responsible gun owning hunting family. Even responsible gun owners and enthusiasts feel that there needs to be some safety regulation. Matthew McConaughey, the acclaimed actor from Texas, has become an unexpected voice in the ongoing debate about gun violence in America. His involvement intensified after the tragic mass shooting in his hometown of Uvalde in 2022. McConaughey advocates for what he calls "gun responsibility" rather than "gun control," emphasizing the need for sensible legislation without infringing on Second Amendment rights.

Don't fall for the (dark money) marketing propaganda (about sales and buying politicians) Learn more about in the documentary "Arming America The Untold History of US Gun Culture." (from the beginning) NRA was a different organization before.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules. Please pass HB 4045 this session.

Sincerely,  
Karen Grissom
