

Submitter: Holly Jones
On Behalf Of: TMK Creamery
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB4153

Farms are the backbone of America and an integral pillar art of the Canby community. Allowing them to have a shop on land zoned for farming allows them to maintain a revenue stream to keep them open and offers a way to build community with other residents. Knowing our framers and where our food comes from is a wonderful benefit to all of us. It offers educational opportunities for children and people who have met seen the benefits of a working farm first hand.
