

Submitter:	Martha Brinson
On Behalf Of:	Oregonians
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4134

Wildlife and habitat conservation is very important to me. I would totally be willing to pay a little more for hotel and AirBNB stays to support conservation. We would still have one of the lowest hotel tax rates in the country. People want to visit Oregon for our beautiful landscape and we need to support that in any way that we can.
