House Committee On Judiciary

Measure, Appointment or Topic:

HB4114

Honorable Co Chairs Kropf and Chotzen and Members of the Committee,  
I support the requirement that agents of federal police forces be identifiable in at least  
the following ways: name tags, no masks, and uniforms that identify the agency  
represented. I consider this most important for protection of my private cause of  
action against violations of my sanctuary state and city protections. I support this bill.

Thank you,

David Wilson
