Measure, Appointment or
Topic: HB4153

As a longtime Oregon resident and frequent visitor to and customer of our state's wonderful family farms, farm stores, and farm stands, I am writing to express my strong support for HB4153. I urge passage of HB4153 because it is aligned with my values and Oregon values around local food, family farms, and on-farm experiences. Well-planned and well-managed agritourism is good for family farms. What's good for family farms is good for Oregon. What's good for Oregon is good government. HB4153 is good government. I stand with Oregon's family farms. I hope you do also. Please support HB4153. Thank you.
