HB4138

I'm writing in support of HB 4138.

Masked law enforcement agents, often with no identification, make it difficult for the public to know who is in our neighborhoods, what they are doing, and whether their actions are lawful.

It is difficult to impossible for the public to know if masked operatives are actual government agents or impersonators. Accountability and visibility for all law enforcement across Oregon is needed now more than ever.

Thank you for the opportunity to comment.
