I fully support SB1507. It is high time OR devise a sensible tax policy that will not ebb and flow at the whim of sitting federal administrations. It is unconscionable that OR is preparing to hack down critical services to the humans that call OR home to provide additional tax breaks to corporations and the wealthy few. Once and for all, we need to establish sensible and fair taxation. Stop talking about loss of funding and start making the changes outlined in SB1507 to maintain and enhance the services Oregonians depend on. Thank you.
