Measure, Appointment or HB4153
Topic:

My Name is Casey and I am a COMMUNITY MEMBER in TOWN. I am writing to you today to express my opposition to HB 4153. Farm stands are a vital part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. But HB 4153 would restrict who is allowed to have a farm stand, replace current definitions with Farm Stores, and give large land owners privileges at the expense of small farm stands in Oregon. We need to find a better solution.

I care about this because small farms need to have the same opportunities to sell their produce as larger farms.

Why should large acreage farmers gain privileges at the expense of smaller acre farmers?

Why should a small farm be any less legitimate than a large farm when it comes to defining farm use?

What do farm stands do for your farm business or community?

I am asking you to not place a higher burden on the smallest farms. This bill takes away opportunities from small land holders and farms in order for larger operations to be able to host more events. This is not a good bargain for Oregon and a better deal must be found.

In fact, why are we so heavily regulated? Let Americans live their life the American way!

Thank you,
