Measure, Appointment or Topic: HB4075

"Dear Oregon State Treasurer and Legislature,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including the loss of 97 full-time jobs and \$9.1 million in local wages.

Please support local healthcare access and act to save the Bay Area Hospital!

From,
