HB4111

Please support this bill for civil proceedings. We are all immigrants, unless we are native to this land. We work, learn and live with immigrants as our neighbors and these individuals need to have their Constitutional rights upheld. To carry out the law we must encourage all witnesses to come forward when they are willing to testify. Do not deny this and allow people who may need to be disciplined advantages. In a time when we all must work together, please bring forward and vote to enact HB 4111.
