Resources, and Water

Measure, Appointment or Topic: HB4153

I support HB 4153 because I value the sense of community that is enhanced with the agritourism created by our Oregon local farmers on Sauvie Island. The benefits we've seen from the Events, Classes and the product in the local markets have made Topaz Farm a prime example of the community anchor. Please support HB 4153 in the name of the small farmers.
