

Submitter: Valeria Rojas

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4114

My name is Valeria Rojas, and I live in Washington County.

I'm here to support HB 4114, the Protect Your Door Act.

We're watching masked agents show up at doors across our state. We're seeing our neighbors

stopped without cause. The Fourth Amendment is supposed to protect us from unreasonable

searches and seizures, but right now there's no real consequence when it gets violated.

This bill creates accountability. If someone enters your property without a warrant, without

your consent, and without legal justification, you can sue them. They pay damages.

They pay

your legal costs.

Working families deserve the power to defend their constitutional rights.

I urge you to vote yes on HB 4114.
