Donna Leveridge-Campbell

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

Small, local farms, and their farm stands, are extremely important to our rural community's food security, our local economy, and to our community, in general. This bill seems to be biased against small farms in favor of owners of larger acreage. Please consider the interests of small farmers and all the people in Oregon's rural communities in your legislation. Thank you, Donna Leveridge-Campbell
