Measure, Appointment or Topic: HB4153

To Whom It May Concern,

I support HB 4153 because I value local farms, agritourism, and the opportunities farms provide Oregon families. I have been an Oregon resident and local business owner for four years and visits to local farms have been a consistent part of my summer / fall rituals, specifically to Topaz Farm. Topaz has been a fixture in my summers here, from concerts to their summer reading events and community dinners. To ensure our local farms get to continue serving their communities in the best ways possible, I urge you to support this bill along with me. In times like this, we need wholesome, fun and creative environments like our farms to foster connection, diversity, agriculture and teaching the next generation about proper land stewardship.

Thank you for your time,

Sarah Yoell
