We are so fortunate to have military and local police personnel to help protect the people of Oregon, when they are allowed to do so, without threats from an authoritarian state government, who enjoys watching people be hurt and buildings destroyed. We want all federal agents and all police to have all they need to do their job of protecting themselves and the population from paid idiots, who really need to spend a month or so in Iran, to get a feel of what it is like to NOT have freedom. They are so clueless.

Freedom will return to Oregon as our voices are strengthened in numbers.
