

Submitter: Warren Koch

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

Woodshoe Tulip farm has been a spring outing for years, and it would be a shame to see it legislated out of business because of "farm use" technicalities. Please allow this kind of operation to continue with local approval. Just as Oregon doesn't like over-reach of the Fed, Counties don't like the blunt cleaver of the Oregon state law to bludgeon local decisions. Give counties some range of flexibility on land use issues.
