House Committee On Judiciary

Measure, Appointment or Topic:

HB4138

Co-chairs Kropf and Chotzen, members of the Committee,

Thank you for the opportunity to testify in support of HB 4138. I have lived in Eugene since 1996 and am horrified by Federal Immigration Agents' masked violence and overreach in our state.

Hiding faces and identities are tactics of scret police or terrorists, not legitimate law enforcement. I support this bill as an unfortunately necessary step in preserving our civil liberties.

I request that you support this bill on behalf of all Oregonians.

Sincerely,

Stuart Faulk
