Committee: House Committee On Health Care  
Measure, Appointment or Topic: HB4127

It is morally incomprehensible that certain people in our House would write bills to force tax payers to pay more money to providers just because Kotax will not drop the sanctuary status and DEI brainwashing material. The \$900Million you are short is solely brought on by your own decisions, not the decisions of 98% of the people in Oregon.

NO more money FROM taxpayers in Oregon, or soon you will have no more taxpayers IN Oregon, and then you will have to cover it out of your own pockets.
