HB4075

"Dear State Treasurer and Lawmakers,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. The Bay Area Hospital still needs some assistance, but the disciplined recovery plan of the last few months has shown its potential for lasting financial independence.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please do what you can to save the Bay Area Hospital.

Sincerely,"
