HB4075

"To: Oregon Leaders,

Please support HB 4075 and other legislation to assist the Bay Area Hospital this Legislative Session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

Failure to act at this point will result in a number of preventable setbacks, including an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

Please do what you can to save the Bay Area Hospital.

With regards,
