SB1507

Under the existing text of this bill my taxes would go up approximately \$7,000 per year. That is ABSURD! Current Oregon government has absolutely mismanaged billions of dollars in revenue from income taxes and commercial taxes on businesses. Taxes on Oregon residents should be decreasing across the board to make up for the complete lack of competence and lack of budgeting abilities that has been present in the Oregon government for at least the last 5 years. Absolute NO on SB 1507.
