SB1538

Dear Senate Committee on Education,

I honestly wish you would really read these opposition testimonies and really take the time to understand what we tax-paying Oregonians are saying. Illegal is illegal. Why are you defending, promoting, supporting, and harboring illegals while stealing from those who are here legally (citizen, VISA, etc). You are now trying to force school districts to violate federal law. Please stop this insanity. Do what is ACTUALLY best for children and our educational system and vote no on SB 1538.
