Measure, Appointment or Topic: SB1507

I oppose SB 1507. Please don't increase taxes on the middle class. Leave the oregon tax code fully connected to the federal code and let us all benefit from the federal changes. I do not support shifting wealth through increases in EIC. The referendum on the transportation tax should've sent a message, obviously that message wasn't heard given this ridiculous bill. Vote no on SB1057
