I am frustrated that once again we Oregonians are having to stand up and say NO to more taxes! This state has taxed and fee'd us to the point of exhaustion. Perhaps those sitting in Salem need to get their ears cleaned so they can hear our impassioned "No, more taxes!" It is becoming increasingly difficult to live and raise a family here. Our paychecks are getting smaller and smaller, yet we are told to live within our budgets. It is time for oregon to do the same!! Ask any one of out side your closed doors and you would hear the same plea. Enough!
